Education

College Student

University of the Pacific – 2023-2027
Stockton, CA

- Working toward: BFA in Graphic Design
- Relevant coursework: Digital Media & Graphic Design, Forensic Research

Athletics

High School Track & Field – 2020-2023

Bullard High School
Fresno, CA

- Helped teach drills and workouts to teammates
- Improved upon time management by keeping track of the various events that were happening at the same time of which I competed in
- Exercised self-discipline at practice and competitions by staying focused and committed

Professional Association

Explorer Captain

FPD Explorer Program – 2021-2023
Fresno, CA

- Improved upon self-discipline through keeping my boots shined and handling simulated scenarios professionally
- Looked after my fellow explorers by answering any questions they had and joining them when they fell behind in physical training
- Was promoted to captain

Honors and Awards

Valedictorian – Earned in 2023

Bullard High School
Fresno, CA

- Achieved the highest gpa possible at my high school (4.32 gpa)
- Took 4 AP classes and passed each AP exam (AP Calc AB, AP Government and Politics, AP European History, AP US History)

Projects

Project 2 Informative Media Inspirational Documentary – Fall of 2022

Center of Advanced Research and Technology
Clovis, CA

- Created my group's movies logo and an infographic including information from our APA paper
- Reinforced my knowledge on writing an APA paper
- Collaborated with my group to determine how to format the group APA paper and get feedback on my designs

Skill Confidence
